Parker and Comercial Essex - Distributor of Water Filtration and Reverse Osmosis Equipment

Stock Symbol: PH - NYSE

Modesto, California, October 8, 2010 - Racor Division of Parker Hannifin Corporation, the global leader in motion and control technologies, is pleased to announce that Comercial Essex of Monterey, N.L., México a Racor distributor, will be representing the Racor Village Marine Tec. line of reverse osmosis watermakers, replacement parts, and accessories in the Mexico market.

“Comercial Essex is a full-line Racor distributor covering all of México. We have grown profitably along with our friends at Parker over the years”, said Jorgue Guerra President of Comercial Essex, “Our customers have been using these premium systems successfully and we look forward to supporting Racor Village Marine Tec. desalination watermakers here in México”.

With more than thirty years of experience, Comercial Essex SA de CV. has been servicing the Mexican market selling lubrication oil and assorted filters for mobile, marine, aviation and industrial applications; as an authorized Parker Hannifin Racor distributor, they have earned the confidence and trust of their customers. <http://www.essexlub.com.mx/home.html>

With annual sales of \$10 billion in fiscal year 2010, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of mobile, industrial and aerospace markets. The company employs approximately 55,000 people in 46 countries around the world. Parker has increased its annual dividends paid to shareholders for 54 consecutive fiscal years, among the top five longest-running dividend-increase records in the S&P 500 index.
